Professor Farinaldo Queiroz
International Institute of Physics
Universidade Federal do Rio Grande do Norte
Natal

I have the pleasure to invite Farinaldo Queiroz for a visit to our research group at Instituto de Física, Universidad de Antioquia from March 4 to 8 of 2019, to carry out activities of scientific collaboration in our Institution.

We also like to invite you, as a member of the Defense committee, to the Thesis defense of the doctoral student Amalia Betancur entitled "Fermionic Dark Matter: From models to collider searches" on Wednesday, 8 March.

I beforehand thanks all the help that should be given to Farinaldo Queiroz to facing his visit.

Best regards

Diego Restrepo
